VISA APPLICATION GUIDE

United Arab Emirates — Transit Visa 48 Hours
Generated: 23 Nov 2026

Processing time: 2 - 5 Working Days

Validity: 48 Hours

Entry type: Single

A Dubai Visa is an official travel authorization that allows foreign nationals to enter, stay, and travel within Dubai and the United Arab Emirates (UAE) for a specified period and purpose. Depending on the traveler's requirements, visas may be issued for tourism, business, transit, family visits, or long-term residency. Tourist visas are the most commonly requested and are available in various durations, such as 30-day or 60-day single-entry and multiple-entry options. Applicants are generally required to provide a valid passport, passport-size photograph, and supporting documents as per UAE immigration regulations. Visa validity, processing time, entry conditions, and stay duration vary according to the visa type and the applicant's nationality. All travelers must comply with UAE immigration laws and ensure their visa remains valid throughout their stay.
